SUPPLEMENT

- The Bulgarian 2nd Coast Artillery Regiment is located in Burgas, and is commanded by Colonel Stanishev. There is some doubt as to whether or not the unit is a mixed Eulgarian-Russian one, for, according to some Bulgarian soldiers, it has Russian instructors and officers.
- 2. The regiment is composed of five sections or groups. Each section has eight big guns some of which are on concrete emplacements with shelters and depots. The guns are installed in groups of two with a space of about 20 to 25 meters between each group.
- 3. The first section is stationed behind the Veriga nail factory; the second is located behind the Casino on the beach, the third is at Atiya, the fourth at Pomoriye and the fifth is at Mesemuria.
